

300C Picture

One of the most functional, most efficient vinyl picture windows on the planet- in Cambridge flat casing

The 300C Picture window utilizes a New England Style 3 ½" Cambridge Flat Casing which integrates a built-in J-channel pocket for siding and nail-fin for installation. (filler available). An elegant, classic look and advanced design with high thermal ratings and glazing package options that meet or exceed Energy Star requirements. Factory applied off the edge design ensures maximum weather protection.
